Program Overview

The Economics for Leaders program represents a unique experience in economics education that brings together high school juniors and seniors selected for their leadership potential who want to study economics. The EFL one-week program encompasses 30 hours of instruction plus small group sessions and workshops. The combination of classroom instruction, question and answer sessions, small group discussion, and workshops presents information in a rich and varied format, encouraging active student participation. Economics professors selected nationwide for their expertise and teaching effectiveness lead classes using case studies to illustrate economics principles and leadership concepts.

EFL is designed to create a diverse learning environment for the students. In addition to study sessions, the program also includes leadership components which emphasize self-exploration through teamwork exercises. These activities provide a physical outlet and an enjoyable diversion from the economics lessons.

Student Goals:

1. Become articulate on the basic forces moving and coordinating the economy.
2. Learn about the economic aspects of select current national and international issues.
3. Gain leadership skills.
4. Foster a commitment to continued learning about economics and leadership.

UCCS Graduate Credit

Registration is optional and is completed directly through UCCS online. Directions on how to enroll in this credit are included below. Please note - the deadline to register for credit with UCCS is July 31, 2023. There are additional reading and assignments that are required for UCCS credit that staff will discuss with students at the program. You may sign up for UCCS credit after you return from the program as the deadline is not until July. That being said, we HIGHLY RECOMMEND registering prior to the start of your program.

Schedule

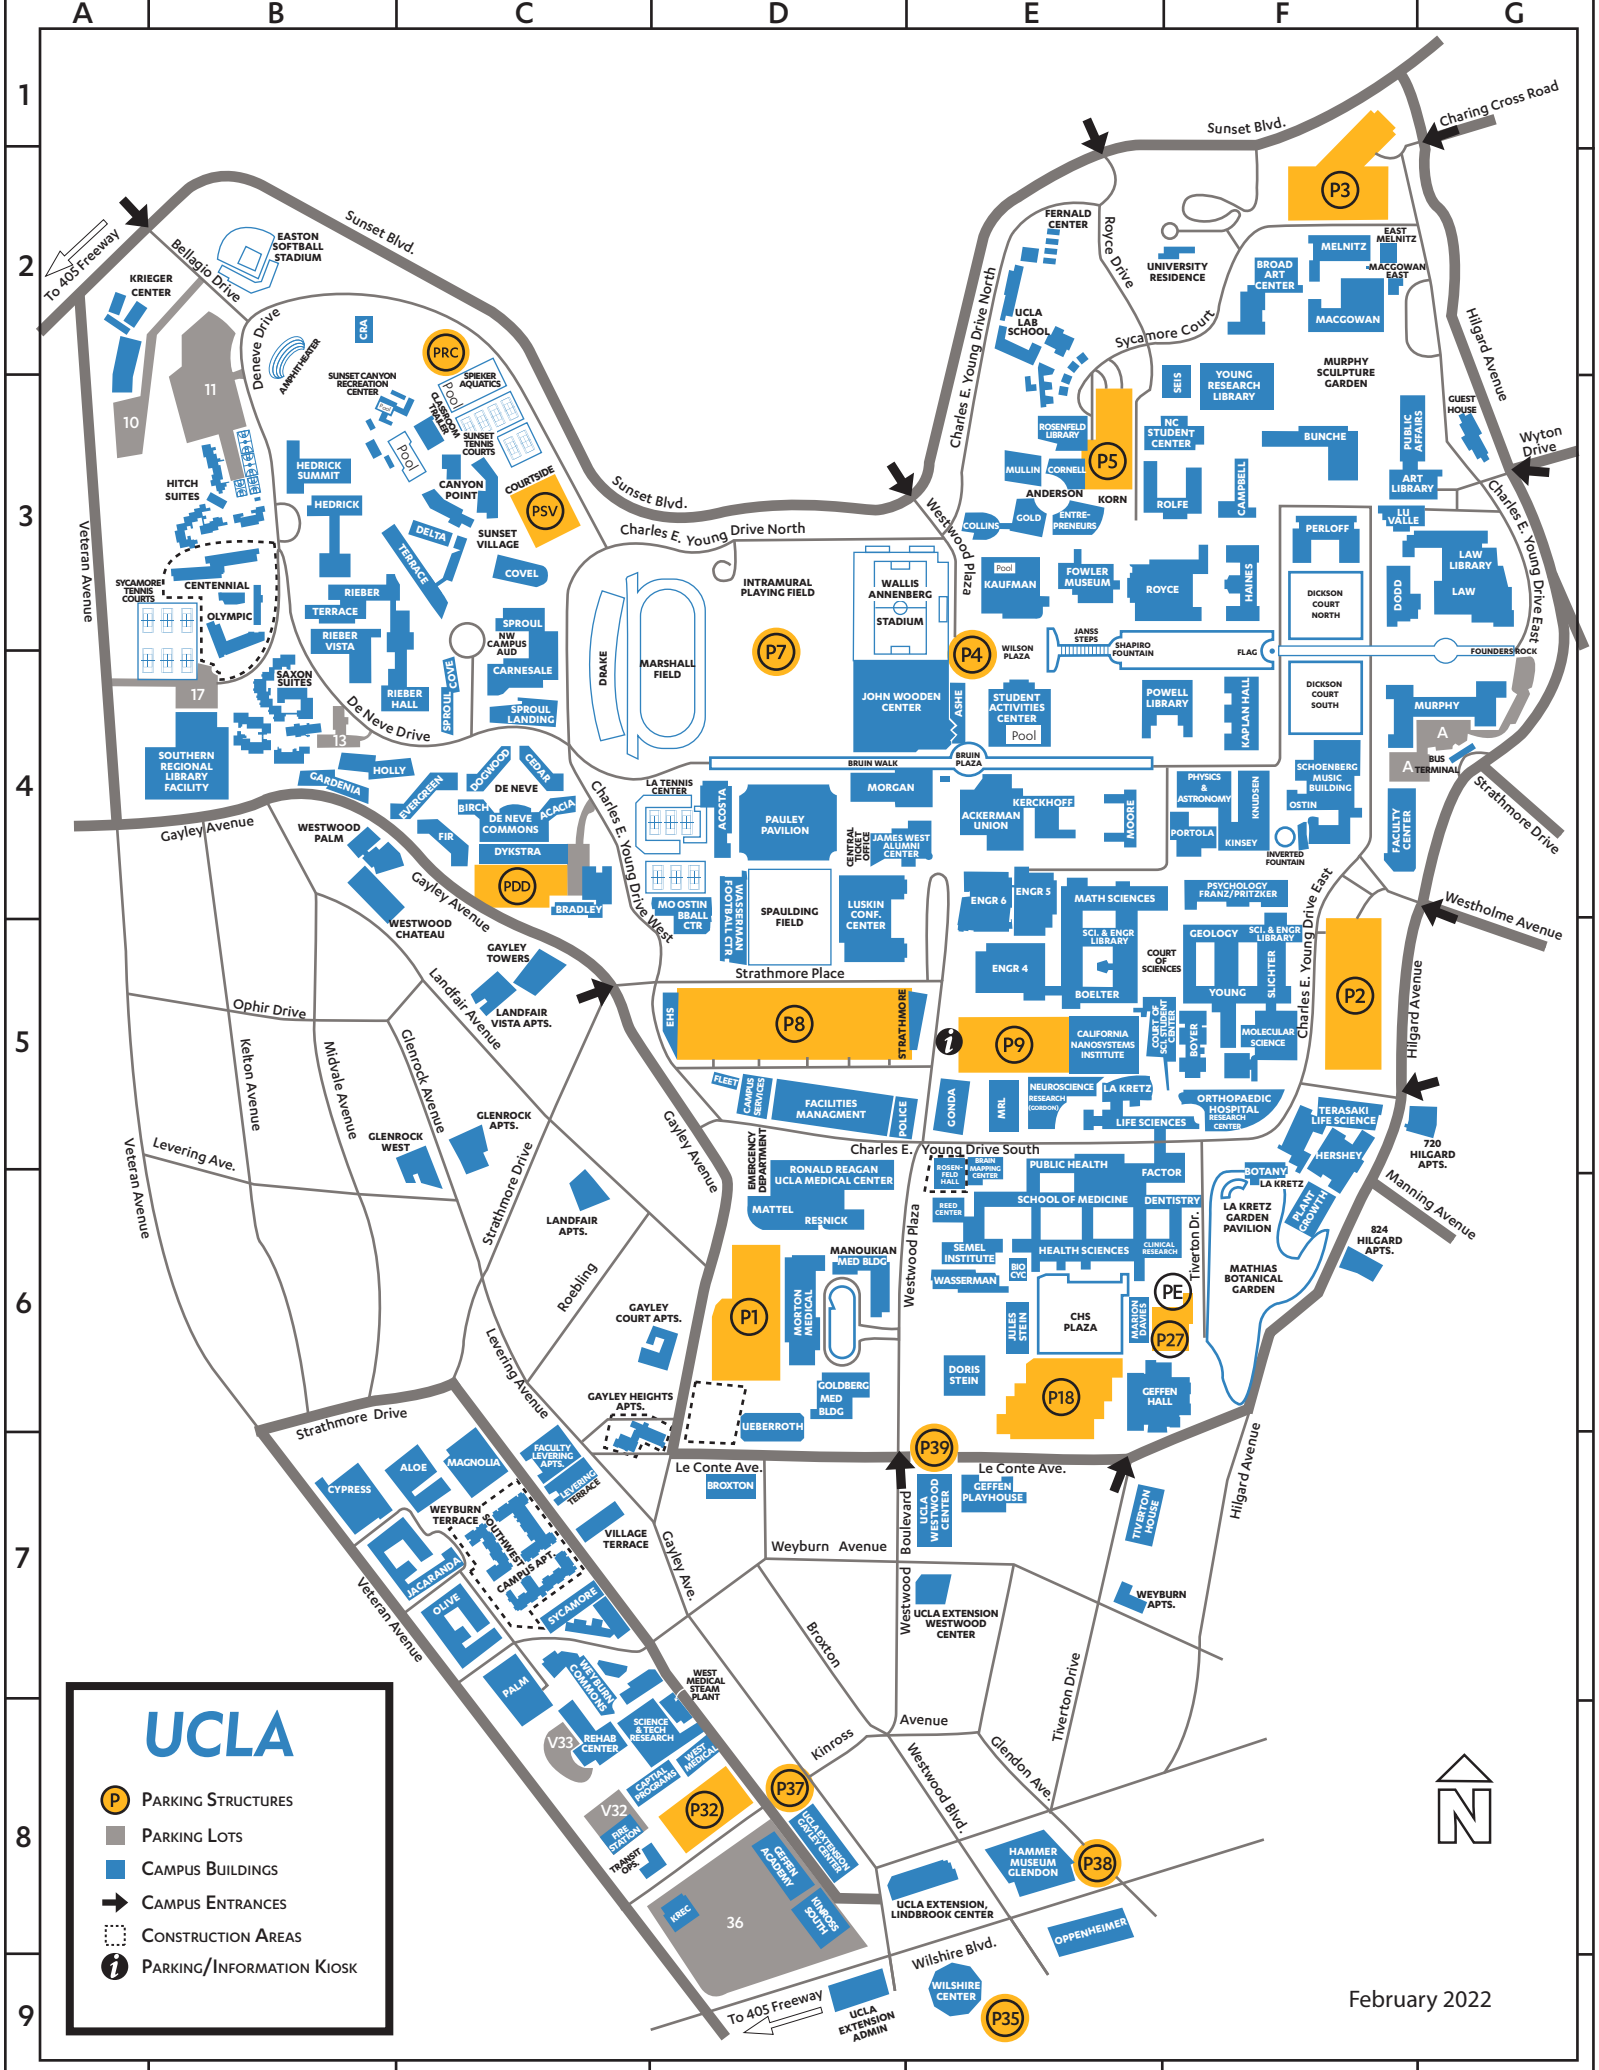

A final schedule will be distributed at program registration on Monday. The start and finish times of the program will not change whatsoever.

Questions

Prior to the start of the program, contact the FTE directly at (530) 757-4630 with any questions. For a travel change or emergency on MONDAY, JULY 31 ONLY, you can call the on-site Student Administrator, Katie Shim, at (808) 940-7712.

Did you know you can earn college credit for your participation in Economics for Leaders this summer?

FTE has had a long and successful relationship with the University of Colorado, and the Department of Economics at the University of Colorado, Colorado Springs will offer undergraduate credit for students attending the Economics for Leaders programs. Economics 1320-701 is an undergraduate economics course for non-majors. Students who successfully complete the requirements will receive a transcript from UCCS, showing two semester hours of graded undergraduate credit.

Course: ECON 1320-701 (entry-level, elective, does not count toward an economics major)

Fee: \$244 (fee payable through the FTE/UCCS online portal; do NOT send payment to FTE)

Transcripts: Available from UCCS after grades are posted to your account. All grades for all EFL sessions will be submitted together in late August/Early September 2023. Transcripts can be ordered at https://www.uccs.edu/lases/full_program_listing/fte. Pull down the “Student Resources” tab in the top menu bar.

Requirements:

- Read a supplemental text (approximately 200 page paperback) and take an online exam via Canvas Instructure.
 - The test must be completed by July 31, 2023, or one week after your program ends for programs that start July 24 or later
 - It is highly recommended that students enrolling in the UCSB, UCLA, or University of Michigan programs complete the test BEFORE arriving at the program.
 - The test can be found in the UCCS Canvas Course site (see self-registration instructions below).
 - Required Text: *The Economics of Public Issues* by Miller, Benjamin and North (19th or 20th editions). Affordable used copies can be found on Amazon or other online book retailers.
 - *The Economics of Public Issues* is a very accessible reader, intended for introductory level college economics courses, but also used in many high school classrooms. It includes 30 short, 4-6 page chapters in which basic economic reasoning is used to explain contemporary mysteries of human behavior. For more information about *The Economics of Public Issues*, visit the [publisher's website](#).
- Attendance and participation in all scheduled activities during EFL
- A score of 75% or better on the EFL post-test, which will be given at the end of your program

Registration Steps:

1. Enroll in Economics 1320-701 through UCCS – the following document will take you through the registration process with UCCS step by step. **NOTE** – this is a several step process which may take a week to 10 days to complete; you must first apply to and be accepted by the UCCS Extended Studies program. Follow each step carefully and note the July 31st registration deadline. Registration must be COMPLETE (not just started) by this deadline – give yourself plenty of time.
2. Use your UCCS login and password to access the UCCS Canvas course for Econ 1320-701 (the link for the Canvas site will be visible on your UCCS Student Portal after you register).
 - This is where you will take the online exam and where we will record your post-test and participation grades.
3. Attend your EFL program and sign the UCCS grade roster at the program, so the mentor teacher or professor can submit a participation grade for you.

We are excited to be able to offer you the chance to earn college credit at a very low cost and we look forward to your participation. We think you'll enjoy *The Economics of Public Issues* and your first taste of the kind of discussion and interaction you'll experience in college!
