Thursday night's dinner – this meal is at the participant's own expense. Any extra snacks, outside of the program meals, will be at the participant's expense.

### Meeting Room

Watson Center A74

### Recreation Options

The Payne Whitney Gym will be available for participant use during recreation hours - please see the schedule for recreation times each day. Note - students must access the gym and stay with the group in our assigned area during recreation hours.

On Thursday afternoon, the group will leave for an off-site activity, traveling via private bus to IT Adventure Ropes Course. A parent waiver is required in order to participate. The waiver can be accessed here:

<https://app.veriwaiver.com/#/public/108>. Please sign and submit waivers no later than June 7, 2023.

### Expenses

Program expenses, including room and board, will be paid for by the Foundation for Teaching Economics (FTE). Participant expenses include travel to and from the program site, and any additional incidental expenses. It will be your responsibility to have enough cash to handle incidentals. Neither FTE staff nor Yale University will cash any checks. Please do not bring a large amount of cash to the program.

All keys and access/meal cards must be returned at the end of the program. Participants will be financially responsible for lost keys or keys that are not returned at check-out; FTE will not cover lost or unreturned keys. Participants will be charged \$50 for lost/unreturned room keys and \$5 for lost or unreturned meal cards.

### Personal Supplies

Bring items that will make your stay comfortable, including personal hygiene items and shower slippers/flip flops. All bedding, linens and towels are provided by Conference Services. All classroom supplies will be provided by FTE. Neither Yale nor FTE can assume responsibility for your personal belongings – Laptop computers are not required and bringing them is at the discretion of the participant.

### Dress Code

Classroom-appropriate, casual, comfortable clothing is the rule on campus. Shorts, t-shirts and jeans are acceptable. Shoes, sandals or flip flops must be worn to the classroom and dining room. Bring appropriate clothing and closed-toed shoes (that can get dirty) for the outdoor leadership activities and the optional

recreation activities such as swimming, basketball and volleyball. Include a sweatshirt or warm jacket as it can be chilly in the evenings.

### Visitors

EGE is a program of strenuous learning. Classes begin after breakfast and continue at various times throughout the day until late evening the entire week. Since classes occupy most of the students' time, no visitors may be invited to the campus.

### Program Overview

The Entrepreneurship in the Global Economy program represents a unique experience in economics and entrepreneurship education and is designed for high school students who have been selected for their leadership potential and have demonstrated a desire to learn more about entrepreneurship and business. The EGE one-week program encompasses approximately 30 hours of instruction, plus small group sessions and workshops. The combination of classroom instruction, question and answer sessions, small group discussion, and workshops presents information in a rich and varied format, encouraging active student and teacher participation. Economics professors selected nationwide for their expertise and teaching effectiveness lead classes using case studies to illustrate economics/entrepreneurship principles and leadership concepts.

EGE is designed to create a diverse learning environment for students. In addition to study sessions, the program also includes leadership components which emphasize self-exploration through teamwork exercises. These activities provide a physical outlet and an enjoyable diversion from the economics lessons.

### Student Goals:

1. Become familiar with the fundamentals of entrepreneurship and leadership, and the commonalities behind successful entrepreneurs.
2. Learn about the key aspects of a successful business.
3. Gain leadership skills.
4. Foster a commitment to continued learning about entrepreneurship and leadership.

### Schedule

A final schedule will be distributed at program registration on Monday. The start and finish times of the program will not change whatsoever.

### Questions

Prior to the start of the program, contact the FTE directly at (530) 757-4630 with any questions. For a travel change or emergency on MONDAY, JUNE 19 ONLY, you can call the on-site Student Administrator, Bennell LaPorte, at (201) 240-3310.

## TRAIN OR BUS TRANSPORTATION

Union Station is minutes from the Yale campus. Metro-North offers frequent train service between New Haven and New York City. Amtrak provides train service to New Haven from Vermont, Providence, and Boston to the north, and Washington, D.C., to the south, at prices that are competitive with air travel.

Union Station is also a Greyhound bus terminal. Once you reach Union Station, you can use a local taxi service to reach the Yale campus (a taxi stand is located at the station). A taxi will cost about \$10. Local shuttle and bus services are also available for travel between Union Station and Yale.
